

## ENGINE PLUG KITS

---

### INSTALLATION INSTRUCTIONS

The REC MX engine plugs are designed to be an OEM replacement. They use the OEM o-rings and should have come supplied with new o-rings. Simply remove the OEM plugs and replace with the REC MX plugs. Make sure the plugs are clean and free of any debris. Apply o-ring grease to the o-rings and tighten each plug to the specified torque.

---

DISCLAIMER: All REC MX products are inspected prior to packaging. Our guarantee is limited to the replacement of defective products and its components only. This limited guarantee is for manufacture defects only for 30 days from date of purchase. Buyer assumes all risk for any and all damage caused to him or herself, a third party and/or property by virtue of this product. By installing and/or using a REC MX product, you hereby accept and understand these stated terms and conditions and have followed all instructional steps. Thank you.
